MEMORANDUM FOR: Acting Director of Security

SUBJECT : Office of Security Monthly Report  
of Trends and Highlights for  
February 1974

1. Attached is the Office of Security Monthly Report of Trends and Highlights for February 1974.

2. Although not readily discernible in this report, clearance requests may tend to be lower in the months ahead. The summer employee cases distort this trend for staff cases. A high number of reinvestigations of persons to be continued in use by the [REDACTED] Office of Finance, has the same effect on covert case actions. Industrial security access approvals not only fell by 300 cases, but are expected to continue to drop due to a substantial reduction in cases from [REDACTED] expected in April 1974.
